OLD PAPERS.

Good conditioned old papers for sale at this office at only 40 cents per hundred.

CITY IN BRIEF.

About 100 gypsies are encamped west of the river.

Thomas Young, the horse thief, was taken North yesterday.

The Mayor has fined John Emerson for an assault on Frank Emerson.

The Washington Lodge K. of H. will give an entertainment at Pfeiffer's Hall Wednesday evening.

The Indianapolis Association of Union ex-Prisoners of War will hold their annual meeting to-night.

The Mayor fined Barney Coyle \$25 and sent him to jail for thirty days, for hitting John E. Hudson with a pitcher.

The alarm of fire before noon yesterday was caused by a small blaze in the roof of the property at 118 North Mississippi street.

An enjoyable entertainment for the benefit of the Southside Free Kindergarten was given at the Indianapolis Seminary on last evening.

In the annual gymnastic contest of the Boys' Classical School, Victor Hendricks and Frank Allen took the first and second prizes, respectively.

George Bruce, of College avenue, died last Wednesday, aged eighty-two years. He was one of the oldest inhabitants of this city, and was the father of James and John Bruce.

M. C. Johnson's residence, 485 Bellefontaine street, was entered Wednesday, in the absence of the family, by a well dressed thief and ransacked. Nothing but a spring overcoat was taken.

Mollie Peck, the young girl who some time ago ran off with her brother-in-law, Andy Woods, the merchant policeman, has returned. She left Woods at Kansas City, where he ran out of money.

The following delegates to the State Convention at Fort Wayne on May 25, have been elected by the local W. C. T. U.: Mrs. Harvey, Mrs. M. M. Finch, Mrs. J. T. Pray, Mrs. Z. J. Wallace and Mrs. J. R. Budd.

The trustees of the Bethany Assembly have arranged for a two weeks' Sunday-school encampment in August, on the Vincennes twenty miles from the city on the Vincennes

Read. Rev. J. B. Taylor, of Springfield, Illinois, will conduct the meetings.
The Sheriff of Allen County, with twenty-two deputies, is in the city on a visit to the United States Grand Jury.

Patrolman Bruce yesterday morning recovered a fine pair of roller skates and a quantity of valuable tools which were stolen from No. 76 West Market street last Sunday evening. The property was in the possession of a seven-year-old boy named Shoop.

The new skating rink on Virginia avenue is rapidly approaching completion. The hard maple floor is now being put down, a large force of men working day and night upon it. It is the largest structure of its character in the State, and the best adapted to the purpose for which it was built. It will probably open for business during the coming week.

Don't Mention It.

Over a week ago burglars entered the residence of Mr. Lee, of the Singer machine office, on Massachusetts avenue, and took all his wife's jewelry, including a handsome watch and chain, the entire lot being valued at from \$300 to \$500. The next morning the police were notified and a man detailed to go and search the immediate neighborhood in the hope that the thief or thieves had gone to sleep somewhere in the vicinity. The search, however, was unavailing, but the hunt is still in progress. The papers are requested not to use this information lest it be the means of informing the rogues that they have been guilty of a violation of the criminal laws of the State, and thereby induce them to wait till the matter "blows over" before a repetition of the offense is made, thus defeating the object of the intense silence.

The New Insane Hospitals.

The Board of Commissioners of the new Insane Hospitals held an all day session yesterday, considering the claim of Contractor Campfield for extra work performed on the Richmond building, his claim aggregating something over \$5,000. Late in the afternoon the board reached a conclusion, allowing Mr. Campfield \$292 16. Concerning a claim for extra work on certain parts of the wall, the board instructed the architect and superintendent of construction to take the measurements and make a report of the extra compensation, if any, to which the contractor is entitled. After agreeing to making a visit of inspection to the Logansport building on Tuesday, and which place the board will hold a meeting, the board adjourned.

A Remarkable Woman.

Miss Sarah Smiley, the famous Bible reader, is to be in our city on Sunday and begin a series of readings in Christ Church at 4 o'clock. The church is free to all for these readings, and ought to be filled. Miss Smiley was a Philadelphia Quakeress, but after years of Bible study and historical investigation she has joined the old Episcopal Church. She has attained a knowledge of the Bible that is greater than that of any other woman in America. The Bishops have authorized her to give these readings and through attend them. She will read in Christ Church Sunday at 4 p. m., and on Monday, Tuesday, Wednesday and Thursday at 7:30 p. m. Bring your Bibles and come.

An Early Morning Fire.

The department was called out at an early hour this morning to extinguish a blaze in the residence of Mrs. Margaret Hoffman, 182 South New Jersey street. Loss, \$300; insured. A sick man by the name of George Girard was carried out of the house by the firemen. The smoke nearly suffocated him.

New Styles Wall Paper.

Carl Moller, 161 East Washington street, has elegant new styles Wall Paper and Window Shades. You can do better here than anywhere else in the city.

The object of the National Benefit Association of J. Indianapolis, is to furnish protection and indemnity against the hourly and daily accidents that occur to humanity, and at rates 25 to 50 per cent. less than stock companies. The management are conservative, reliable and honorable business men, and fully worthy of confidence.

Reduction in the Price of Gas!

Notice to Gas Consumers and
Others.

Your attention is called to the marked reduction
in the price of gas, which took effect on the 1st
day of March. The Company is now furnishing
gas to all consumers at \$1.80 per 1,000 cubic feet.
This price is certainly within the reach of all, for
both lighting and cooking purposes. The con-
venience and comfort of cooking by gas, especially
during the summer months, where a fire is not
otherwise required, can only be thoroughly ap-
preciated by those who have had experience in its
useful application for that purpose. The Com-
pany has sold for use in this city during the last
four years a large number of gas stoves, and is
satisfied from the many testimonials from its
patrons, that these stoves "fill a long felt want."
